Visitor Management Kiosk

For iPad and Android tablet self-service sign-in points.

Search for "**Visitor Management Kiosk**" by Teamgo

The **Visitor Management Kiosk app** by Teamgo transforms Apple iPads and Android tablets into secure, self-service sign-in points for any workplace.

Visitors can check in quickly via a simple touchscreen, capture required details, and receive a digital or printed badge, while hosts are notified automatically.

Ideal for front desks, lobbies, and unattended entrances, the app improves security, streamlines arrivals, and delivers a professional first impression with minimal administration.

Visitor Pass App

For mobile digital passes, QR code check-in and access verification.

Search for "**Pass App**" by Teamgo

The **Visitor Pass app** brings secure, contactless visitor management to iOS and Android smartphones.

Visitors, contractors, and employees carry a digital pass with QR code check-in and access verification, removing the need for paper badges.

With real-time on-site visibility and emergency support, the app delivers a convenient, modern experience while maintaining strong workplace security and compliance.
