Emergency Evacuation

Know who is on-site when it matters most.

Teamgo gives your emergency team live visibility of who is on-site, helping them account for visitors, staff and contractors faster.

Key benefits for your workplace

Real-time accountability

Instantly view who is on-site across visitors, employees and contractors.

Faster roll calls

Review live check-in records and check people off during roll call.

Emergency alerts

Send urgent notifications and instructions to people on-site.

Visitor, staff & contractor visibility

Account for everyone using one connected sign-in system.

Digital records & reporting

Keep clear records of emergency activity, check-ins and evacuation outcomes.

Reduced reliance on paper

Move away from manual sign-in books that can be hard to access during an emergency.

Multi-location visibility

Support emergency visibility across one site or multiple workplace locations.

Improved safety readiness

Give your team a clearer process before, during and after an evacuation.

Built for emergency readiness

Visitors

Know which visitors are currently on-site.

Employees

Track staff presence and evacuation status.

Contractors

Account for contractors, suppliers and service personnel.

Emergencies

Give wardens and authorised staff better visibility when it matters.
